RODOULA

Rodoula as a brand is associated with elements such as product innovation, high quality, delectable taste, acquiring and retaining the appreciation of the consumer within the market, with her products. Each day is different for Rodoula, full of flavors, aromas and images. A beautiful story is hidden behind every traditional or modern recipe in every corner of Greece, in every corner of our land. These nostalgic and wonderful stories include love, aromas, and a distinct way of life that touches our souls.

Creating a variety of sweet and savory treats, immersed in tradition with dashes of modern cuisine to generate unforgettable memories.

RODOULA IS A “PIECE” OF OUR LIVES

Rodoula's products have won many Superior Quality and taste Awards by the International Taste and Quality Organization, ITQI, in Brussels, which is the leading independent organization, comprised of Chefs and Tasters. Rodoula’s Vegan Crinkly pie has won the FABI Innovation Award in the USA as the 1st Vegan pie with vegan cheese.

HER RECIPES

Over the years Rodoula’s recipes evolve, ingredients are enriched and flavors are enhanced. Rodoula adores cooking thus pursues, discovers and recommends delicious flavors. Her inspiration, comes from the Greek land, choosing unique flavor combinations. For the last 20 years she has been exploring countless delicious and exceptional ingredients of this magical land with the sole purpose of sharing them with you!

High quality raw materials...
from Greek nature...

Life is about moments and Rodoula enjoys these and shares them with you to the fullest.
